June 1st, 2020

Welcome to Stave Falls Kindergarten Outside Orientation Visit

Dear Kindergarten Parents,

Welcome to our Stave Falls Elementary learning community! We are excited to offer you an opportunity to come by to visit our forest trails and pick up a welcome to school gift.

Date and times are as follows:

Wednesday, June 17th 10:30 – 12:00 families with last names A– L

1:00 – 2:30 families with last names M–Z

Parents will be asked to park in the main parking lot and tables will be set up outside the front main entrance of the school. Please come to the main entrance area and you will be greeted by a staff member and then given information to lead a self-guided mini tour through the trails. Please ensure that your child has boots, long pants, long sleeves and a hat as that is best practice for following forest dress protocols.

As you know these are very different times and we have been looking for creative ways of organizing an orientation for you and your child while following provincial health guidelines and social distancing protocols. It is our hope that if you can make this date, you have an opportunity to begin to familiarize yourself and your child with our outdoor classroom areas. Please confirm your attendance with the office at 604 462 9982. This is an optional visit and more information will be coming at the end of June outlining the process for Gradual Entry for Kindergarten students in September.

You can also visit the school website at <https://stavefalls.mpsd.ca/> where you will find the latest school and district information.

Looking forward to meeting you and your child!

Kind regards

Elena Di Giovanni
