Dear Parents/Guardians:

Mission School District Policy requires parental permission when students go off school property. At registration, we ask that parents/guardians provide permission for their son or daughter to participate in neighbourhood activities. The form below applies to activities in the immediate neighbourhood and does not involve any mode of transportation other than being on foot. All other field trips will require specific permission forms. Please complete the form below and return to the school as soon as possible.

Sincerely,

Tricia Alderson  
Principal

### Walking Permission Form School Year 2021-2022

I give my child permission to participate in walking field trips and excursions off the school grounds during each school year. This may include, but is not exclusive to, nature walks, Terry Fox Run, neighbourhood improvement projects, fitness breaks, etc. I understand the students will be supervised at all times and will be required to follow the school's behavior policy. Please see school safety protocols and code of conduct on the Stave Falls website.
