

Welcome to Stave Falls Elementary! To make the transition to school a positive experience, Kindergarten students attend for short periods of time for the first two weeks of school. This gradual entry allows teachers to form important relationships with each student and gives them the attention they need during their transition to school.

An additional way we support your child is through individual child centered conversations with teacher, parents, and students. This short but very important meeting allows you to share information with the teacher about your child so that we can best meet his or her needs and for the teacher to also share important information. This will take place on Thursday September 9<sup>th</sup>, 2021, you will be asked to sign up for a spot on the first day of school.

On Tuesday, September 7<sup>th</sup>, 2021, parents will be asked to sign up for group A or B.

**Monday September 20<sup>th</sup>, 2021, all Kindergarten students will begin full days (8:15-2:08).**
