Dear Kindergarten Parents/Guardians,

Welcome to Stave Falls Elementary! In order to make the transition to school a positive experience, Kindergarten students attend for short periods of time in a small group for the first two weeks of school. This gradual entry allows teachers to more easily form important relationships with each student and gives them the attention they need during their transition to school.

An additional way we support your child is through individual information sessions with teacher, parents and student. This short but very important meeting allows you to share information with the teacher about your child so that we can best meet his or her personal needs and for the teacher to also share important information.

On Tuesday, September 7<sup>th</sup> parents will be asked to sign up for a 20 minute interview spot for Thursday, September 10<sup>th</sup>. Please see attached School Supply Staples list and instructions if you choose to order.

**\*Monday, September 20<sup>th</sup>, 2021 all Kindergarten students begin full days (8:15am- 2:08pm).**
