SFE PAC certainly understands that not everyone can donate money or time to help fundraise ...

BUT

Did you know that you and everyone you know can donate empty bottles & cans?!

We have 6 easy steps to ensure your beverage containers are credited to SFE PAC at any Encorp Express Return-It centre!

1. Use 70-75 Litre clear or transparent bags
2. Please make sure the bags aren't too heavy
3. Max.12 glass bottles per bag of containers
4. Use SFE PAC code: E129507
5. Up to max.6 labels can be printed & applied to your 6 bags per day at any one Return-It Express location
6. Leave without your beverage containers !!

Donations will **NOT** be credited to PAC with:
Broken Glass
Too Heavy
Wrong Items
No Label
Wrong Bags
